

Reserve FTS Information Bulletin

Upcoming Occupational Analysis Surveys

Over the course of the next year a number of ratings are scheduled to undergo an Occupational Analysis (OA). As part of the OA process the members of each rating will be provided a survey which is one factor used to determine future advancement requirements for their rating. It is extremely important that reservists participate in this process in order to get their experience and perspectives included in the direction of their rating.

A link to the survey will be emailed to each individual's CG email account and must be completed on a CG workstation. FORCECOM has provided the following anticipated schedule to help provide as much advance notification to reservists as possible in order to facilitate their participation:

Rating	Estimated Start Date
CS	Jun 2017
MK	Jul/Aug 2017
DC	Aug/Sep 2017
IT	Oct/Nov 2017
GM	Jan 2018
YN	Feb/Mar 2018
IS	Apr/May 2018

Additional updates will be provided as each OA is initiated. Questions should be directed to CWO Tim Lacey at 7557-856-2842 or Timothy.J.Lacey@uscg.mil
