## Implementation of Reserve Incapacitation Request Forms

The Coast Guard Personnel Center Reserve Personnel Management Division (CG PSC-RPM) announced the publication of three new forms in the CG forms library (<https://www.dcms.uscg.mil/Our-Organization/Assistant-Commandant-for-C4IT-CG-6/The-Office-of-Information-Management-CG-61/Forms-Management/CG-Forms/>) in an effort to standardize the process reservists use to request incapacitation system benefits.

As noted in ALCGRSV 015/19 (attached), these forms will become mandatory on 01 Jun 2019 for reservists submitting new reserve incapacitation benefit claims. Those with pre-existing cases must begin using the new forms on their next monthly submission of physician reports.

Questions should be directed to the CG PSC-RPM point of contact listed in the message.
