

TRICARE Reserve Select (TRS)

Your command, your Service and DoD recognize some reservists may experience pay interruptions due to the COVID-19 emergency and offer the following guidance on TRICARE Reserve Select:

Who This Impacts:

Reserve Component (RC) and National Guard members and their dependents enrolled in TRS.

What You Need To Know:

TRS premiums cannot be waived. However, if you are unable to pay TRS premiums during the COVID-19 emergency, your coverage will continue anyway, up to 90 days after the emergency has ended.

What You Need To Do:

You are strongly encouraged to continue to pay your monthly premiums. Any unpaid premiums will accumulate, and you will be required to pay the balance within 90 days of the designated end date or coverage will be terminated. If any TRICARE payments were made for uncovered dates of service, TRICARE is required to recoup the payments.
