Active Duty Volunteer Opportunities **Now Posted at reserve.uscg.mil**

This information bulletin announces the launch of the Active Duty (AD) Volunteer Opportunities page on www.Reserve.USCG.mil. This webpage is another effort to make active duty volunteer opportunities easily accessible and more widely shared with SELRES who are looking for AD opportunities throughout the CG.

<https://www.reserve.uscg.mil/Resources/Active-Duty-Volunteer-Opportunities/>

The Volunteer Opportunity page will be updated regularly. Reservists seeking job opportunities should keep in mind that the positions listed do not represent all volunteer opportunities. For a complete list of positions reservists should search in Direct Access using the Mobilization Module.

The help guide and webinar to assist with searching positions in Direct Access are located at: <https://www.dcms.uscg.mil/ppc/pd/da/>

- Click “[+] Self Service” to expand the section.
- See process guide or instructional video under “Requesting Mobilization Volunteer Opportunities (Member Self-Service)”

Interested members should apply for positions as soon as possible. If a start date has passed but the position is still showing as open in DA, it is still open for volunteers.

To highlight an active duty opportunity please contact the CG-R55 POC/Webmaster: Ms. Shavonne Tompkins at: Shavonne.L.Tompkins@uscg.mil
