## ADOS Opportunity

### CG-1B1 Human Capital Management Priority Projects

CG-1B1 is ready to hire a LT (0-3) or LCDR (0-4) for short term ADOS (Now through 30 Sep 2020).

This person will be coordinating and managing related activities in support of the Coast Guard's new (electronic) Official Military Personnel File (OMPF).

Required competencies include:

1. Project management skills
2. Communications
3. Senior Leadership / Stakeholder / Team Leader Engagement / DoD Engagement with Senior Representatives (Business and IT sides)
4. Change Management to support & facilitate priority changes adoption of CG-1's new OMPF

Experience in project management and communications are essential for assisting program managers and HR/DoD stakeholders towards selection, plan, and implementation of the Coast Guard's new OMPF.

The overall goal of this work is to select and deliver OMPF solutions that will serve the CG's active duty, reserve, and retiree (including annuitants) personnel.
